

## Campership Guidelines for University Youth Programs, Summer 2018

University Youth Programs sets aside a limited amount of funding each summer to provide assistance for students who demonstrate genuine financial need.

Participation in our summer camps or other structured youth activities can have many positive effects on a child's development. The more time a child is involved, the greater the benefits. In an effort to attain these benefits, the campership and assistance program encourages applicants to participate in more than one week of camp.

Campership awards will be determined **after** February 28<sup>th</sup>.

All applications are HELD until the deadline and compared as a group.

Factors in awarding funds include state and federal income guidelines, complete and thorough application materials, documentation to support the request, referrals, funds available, the pool of applicants, camp availability, and others.

In an effort to stretch the funding and allow as many children to attend camps as possible, there is a limit on the number of full camperships per child (minus the \$25 copayment per camp.) Partial requests are encouraged for those who are able to afford part of the fee. Partial awards may also be decided by the program staff based on available funding and the quality of application materials.

Due to the popularity of our camps, we are reserving a limited number of registration openings in selected camps for campership recipients. Applicants may apply for other camps of their choice.\*

*\*Note that camp choices may fill prior to the campership applications being processed and awarded.*

**All campership applicants** will receive a campership award status notification. Your award notification will be mailed or emailed to the address you provide on the application if and when the campership is awarded, or you will be contacted regarding registration options.

- Recipients must pay a minimum of \$25 co-pay per camp due at time of campership acceptance. This fee also covers the cancellation fee for each camp (at a reduced rate from the standard fee).
- Everyone must return the campership award letter to accept or reject their award. Applicants receiving partial funding will be notified of the additional amount due and given a deadline.
- If you receive a full or partial campership and choose not to accept the campership, indicate this on the return form so that funds may become available for others.
- If you do **not** receive a campership, or cannot afford the partial award given, you will be put on a waiting list in the event that additional funds become available.
- Please note that all other Youth Programs policies and fees apply to camperships, as well.

### **To Apply (applications must be complete and on time to be considered):**

1. Review and complete the campership request form, the camp registration/waiver form and schedule.
2. Documentation is required! Attach copies. The more support you can give your application, the better.
3. Remember to indicate a second choice for each camp. If your first camp choice is full, this will speed up the process and increase your chances of getting your camp(s).
4. Return all forms by the deadline with the \$10 per child application fee(s).

**University Youth Programs Summer 2018 Campership Request Form**  
Complete all areas in full and return by the deadline to be considered.

**Deadline for Camperships:** February 28, 2018 at 4:00pm.

- All requests are held until the deadline.
- Decisions will be made after the deadline. Applicants will be notified no later than March 20, 2018.

**Cost:** \$10 per child non-refundable application fee. All recipients also pay minimum \$25 co-pay per camp due at time of campership acceptance.
