Campership and Financial Assistance Guidelines
University Youth Programs, Summer 2024

University Youth Programs sets aside a limited amount of funding each summer to provide financial assistance for students who demonstrate genuine financial need.

Participation in our summer camps or other structured youth activities can have many positive effects on a child’s development. The more time a child is involved, the greater the benefits. In an effort to attain these benefits, the campership financial and assistance program encourages applicants to participate in more than one week of our programming.

Campership awards will be determined after February 23rd. All applications are HELD until the deadline and compared as a group.

Factors in awarding funds include but are not limited to state and federal income guidelines, complete and thorough application materials, documentation to support the request, referrals, funds available, the pool of applicants, camp/program availability.

In an effort to stretch the funding and allow as many children to attend as possible, there is a limit on the number of full camperships/program fee coverage per child (minus the $25 copayment per camp/program.) Partial requests are encouraged for those who are able to afford part of the fee. Partial awards may also be decided by the program staff based on available funding and the quality of application materials.

Due to the popularity of our camps, we are reserving a limited number of registration openings in selected camps for campership recipients. Applicants may apply for other camps of their choice.*

*Note that camp choices may fill prior to the campership applications being processed and awarded. The sooner we receive your completed application and supporting documentation, the better we can plan for demand.

All campership/financial assistant applicants will receive an award status notification. Your award notification will be mailed and/or emailed to the address you provide on the application if and when the campership/assistance is awarded, or you will be contacted regarding registration options.

• Recipients must pay a minimum of $25 co-pay per camp/program due at time of campership acceptance. This fee also covers the cancellation fee for each camp/program (at a reduced rate from the standard fee).
• Everyone must return the award letter to accept or reject their award. Applicants receiving partial funding will be notified of the additional amount due and given a deadline.
• If you receive a full or partial award and choose not to accept, indicate this on the return form so that funds may become available for others.
• If you do not receive an award, or cannot afford the partial award given, you will be put on a waiting list if additional funds become available.
• Please note that all other Youth Programs policies and fees apply to award recipients, as well.
To Apply (applications must be complete and on time to be considered):

1. Review and complete the campership/financial assistance request form, the camp registration/waiver form and list of camp choices (from the camps listed in our camp brochure).

2. Documentation is required! Attach copies. The more support you can give your application, the better.

3. Remember to indicate a second (and even third) choice for each camp. If your first camp choice is full, this will speed up the process and increase your chances of getting your camp(s).

4. Return all forms by the deadline with the $10 per child application fee(s).

5. Apply early to help us plan for demand.

- The camps below have a few reserved places for campership recipients. You may apply for these camps and/or any other camps of your choice. Select other camp choices from the camp brochure.
- Note that some camps fill quickly and may be full prior to the campership awards.
  Due to small group sizes and popularity of our program, many camps will fill before the campership decisions are made. There are a few reserved places for camperships in the camps specified below; however, if you want to guarantee a place in camp, the campership process may not be the best method. The earlier we receive your completed application and requests, the better able we are to plan for demand.
- Financial assistance is limited to a maximum of two (2) camps per child per year.
- Submit your Youth Programs 2024 Registration Form, this application, camp requests, and requested supporting documentation.
